

PHARMACY TECHNICIAN

Join Marchese Health Care and grow with a team of professionals who are committed to delivering client-focused care. We welcome progressive and innovative minds to our company.

Marchese Health Care is an award-winning, pharmacist-owned healthcare provider that has been dedicated to the enhancement of patient care for 50 years. We provide a wide variety of medication, supplies and equipment; clinical knowledge; and specialized services to meet our patients health and wellness needs.

Marchese Health Care is looking for an innovative, experienced, well-educated **Pharmacy Technician** for maternity leave coverage.

Responsibilities include but are not limited to the following:

COMPOUNDING

- Prepare specialty compounds adhering to USP, NAPRA and OCP standards
- Follow formulation instructions, compute calculations and use proper techniques to prepare sterile and non-sterile compounds
- Perform quality control/assurance procedures

DISPENSARY

- Promote safe and effective drug distribution by receiving, gathering, entering and storing prescriptions and patient information so that this information can be accessed and retrieved readily
- Select appropriate products by applying knowledge of brand and generic names, dosage form, drug interchangeability etc
- Prepare products in a manner that ensures patient safety through the accuracy and quality of the product
 - Count and fill prescriptions
 - Notify pharmacist for any changes in the drug or dosage
 - Prepare/compound pharmaceutical products for release
 - Check and sign prescriptions prepared by Pharmacy Assistants
 - Other duties as assigned

EDUCATION

- Accreditation from a Pharmacy Technician program

REQUIREMENTS

- Registration with the Ontario College of Pharmacists
- 1-2 years' experience in a retail pharmacy setting
- Experience with PharmaclikRx (Nexxsys) prescription processing software is preferred
- 1-2 years' of compounding experience
- Visual acuity, numeracy, detail oriented, manual dexterity appropriate for handling blister packs, prescription bottles and labels, etc.
- Strong English speaking skills
- Strong organizational skills and initiative
- Ability to multi-task in a fast-paced environment
- Working knowledge of retail mathematics
- Strong interpersonal communication skills, able to maintain a professional demeanour when speaking with clientele. Remain calm under pressure and able to meet tight deadlines.
- A second language is considered an asset
